

Olli Kokkonen

Hello everyone,

I have owned Leonbergers since 1994 and have participated with them mainly in dog shows, but also in obedience and water rescue trials.

Since 2006 I have been a dog show judge and currently have the right to judge over 80 breeds from FCI groups 1 and 2.

In addition to Finland, I have judged in 16 different countries, mainly Leonbergers, but also other breeds.*

In addition to their appearance, I appreciate Leonbergers' friendly behavior and healthy exercise.

See you next summer
